

Attn: Science Department
RE: New Science Equipment & Supplies Contract

I wanted to take a moment to let you know that the **Des Moines Public School** recently became a participant in the new **US Communities** contract for **Science Equipment and Labware Supplies**. Fisher Science Education was recently awarded this contract by US Communities.

The contract provides an industry best **31% discount**, excellent product quality and high inventory availability. It offers the most aggressive discount structure of any contract available, from any science supplier, nationwide. All purchases from Fisher Science Education automatically get this new pricing.

U.S. Communities is the pre-eminent purchasing alliance serving state & local government institutions and school districts across the U.S. All major science vendors competed vigorously for this contract. Fisher Science Education was selected as the exclusive contract holder because of its great pricing and outstanding value-added capabilities.

Contract pricing terms are extremely generous. U.S. Communities participants receive the following price benefits:

- **“Pre-Approved” contract saves time and money by eliminating the need to get multiple quotes for most orders.**
- **31% discount on Fisher Science Education product line.**
- **Complete access to Fisher Scientific’s Research Science and Healthcare product lines.**
- **Rebates for volume and large orders.**
- **Free shipping on orders over \$100.**

**Free Shipping includes all items except live, hazardous materials and motor freight.*

We’ve also developed a custom price-check website. You can check your 31% discount pricing easily. Just go to www.fisheredu.com and logon with the following credentials:

Username: usc31 Password: fisher (password is case sensitive)

The US Communities/Fisher contract offers significant savings to Des Moines Public School and we encourage you to use it for your lab equipment and supplies purchases. Again, all purchases from Fisher Science Education automatically receive the 31% discount.

If you have any questions, please e-mail me at linda.reedy@thermofisher.com. You may also call me toll free at (800) 955-1177 ext. 1364756 or direct at (630) 259-4756.

Best regards,

Linda Reedy
